

## The Steps to Knowledge

5000+ shares on Facebook and 1500 tweets, the steps to Knowledge, an initiative of UOB Libraries, depicting the unending progress of thought from the earliest civilizations to the present. From one giant step to the next, humans have left their imprints on planet earth. We follow the steps, leaving our imprints as well. What title would the next step bare??

From bottom to top:

The Epic of Gilgamesh
